REFLECTION Take, bless, break and give

In the Eucharist bread is taken, blessed,
broken and given.

In life we are taken, blessed, broken and given.

The Priest takes the bread in his hands and
blesses it during the eucharistic prayer;
Then he breaks it and it is given to us as
the body of Christ.

Through our birth and baptism we are taken
into God's hands;

as the bread is taken, so too are we.

In life we are blessed by family, friends, love and joy;
as the bread is blessed, so too are we.

We are broken by failure, sin, pain and heartbreak;
as the bread is broken, so too are we.

In death we are given back to the mystery
from which we came;

as the bread is given, so too are we.

When we take, bless, break and give bread
to one another,

we believe the Lord to be especially present
in our midst.

But we must learn to accept that in his memory
we will be taken, blessed, broken and given
for the life of the world.

A PRAYER FOR UKRAINE:

God of peace and justice,

We pray for the people of Ukraine today.

We pray for peace and the laying down of weapons.

We pray for all those who fear for tomorrow, that your
Spirit of comfort would draw near to them. We pray
for those with power over war or peace, for wisdom,
discernment and compassion to guide their decisions.

Above all, we pray for all your precious children, at
risk and in fear, that you would hold and protect them.

We pray in the name of Jesus, the Prince of Peace.
Amen

ACCOMMODATION FOR WILLIE CLANCY WEEK:

There are many students registering for workshops who are finding it almost impossible to secure accommodation.

Anyone who has accommodation to offer should contact the Summer School accommodation team at 089-2320498, giving full details as to type of accommodation--- B&B, Self -Catering, Mobile Home, etc.

It is important that students be housed in and around the communities of Miltown, Spanish Point, Mullagh and Quilty, conveniently close to the workshops and activities. Students and visitors who stay locally make for a successful school and benefit the local economy. Encourage people to stay local.

When quoting prices, accommodation providers should bear in mind the expenses families have to meet during the week and offer reasonable rates.
