**REFLECTION**

The fact that we may have a strong faith  
doesn't mean that life will be plain sailing for us.  
What faith does it give us bearings,  
thus enabling us to live in a topsy-turvy world  
without getting lost or giving in to despair.  
Just as swimmers trust that if they don't panic,  
and if they do a few simple things,  
then the power of the sea will uphold them,  
so believers entrust their lives  
to a power greater than themselves.  
That power is the power of God,  
who brought his Son, Jesus, back from the dead.
