FR MARTIN MAREJA from the Pallottine Fathers Missions will be here at all Masses the weekend of (29th /30th JUNE) to promote their mission work. The Pallottines were founded by Saint Vincent Pallotti, who was born in Rome in 1795. From his childhood he offered his life to the service of the poor, and founded the Union of Catholic Apostolate. At that time the laity was not actively involved in the ministry of the Church and Saint Vincent wanted to inspire people of all walks of life to work for God's kingdom. Saint Vincent wanted people to treat those in need "with care and with a loving concern". He died in 1850, leaving a legacy that continues to inspire people worldwide today.

REFLECTION:

The seed that grows by itself

On many an idle day have I grieved over lost time.
But it is never lost my Lord.

You have taken every moment of my life in your
own hands.

Hidden in the heart of things
you are nourishing seeds into sprouts,
buds into blossoms, and ripening flowers into
fruitfulness. I was tired and sleeping on my idle
bed and imagining all work had ceased.

In the morning I woke up and found my garden
full with wonders of flowers.
